### What is UCSB Staff Assembly?

Staff Assembly is UCSB's chapter of the system wide Council of University of California Staff Assemblies, or CUUSA. UCSB's Staff Assembly is sponsored by the office of the Vice Chancellor for Administrative Services. Staff Assembly's mission is to support the research, teaching, and community service mission of UCSB by serving in an advisory capacity to the Chancellor, Vice Chancellors, senior officers, and other campus organizations seeking staff consultation.

Staff Assembly provides staff representatives to committees as requested by campus entities and facilitates communication among and between all staff employees. Additionally, Staff Assembly serves as a focal point and sounding board for all staff employees in issues that are not the purview of represented job classifications. General membership includes all career UCSB staff members. The Executive Committee consists of at least eight members elected at large from all career staff on campus.
