### S-List: Coming Soon

The Chancellor's Staff Advisory Council (CSAC) and UCSB Staff Assembly have been working with the administration to develop a way for staff to receive information with specific interest to UCSB staff. The result is the "S-List". The S-List is designed to be a voluntary, opt-in system and will be a way to receive staff specific event notifications, invitations to serve on campus-wide committees, and other information pertinent to UCSB staff members.

Opting-in will increase your awareness of campus issues and ensure you are notified of events and opportunities to become involved. It is not intended to replace the D-List, rather augment it for staff. It is your choice! To opt-in, watch for upcoming campus announcements and instructions. Stay tuned in. Opt-in.

### What is UCSB Staff Assembly?

Staff Assembly is UCSB's chapter of the system wide Council of University of California Staff Assemblies, or CUCSA. UCSB's Staff Assembly is sponsored by the Office of the Vice Chancellor for Administrative Services. Staff Assembly's mission is to support the research, teaching, and community service mission of UCSB by serving in an advisory capacity to the Chancellor, Vice Chancellors, senior officers, and other campus organizations seeking staff consultation.

Staff Assembly provides staff representatives to committees as requested by campus entities and facilitates communication among and between all staff employees. Additionally, Staff Assembly serves as a focal point and sounding board for all staff employees in issues that are not the purview of represented job classifications. General membership includes all career UCSB staff members.
