SA Members - Why I joined Staff Assembly

I joined Staff Assembly...

- **Stephanie Coghlan:** "because I was troubled that our large group of employees at Student Health did not feel a strong sense of connection to other staff at UCSB. All staff need to know that their fellow staff members on campus share in common interests and concerns and that we do not stand alone as separate departments. We can achieve so many great things if we work together as one "staff" voice."
- **Dave Dunlop:** "to meet new staff, learn more about important issues relating to staff and help with staff functions on campus."
- **Greta Halle:** "I got involved the year the Ice Cream Social was cancelled. I wanted to be sure staff continued to be celebrated."
- **George Hopwood:** "to learn more about and help support the interests of Staff at UCSB and UC."
- **Martha Olsen, Co-Chair:** I joined "to be more involved with staff issues and concerns."
- **Libby Straight:** "to become a representative for staff housing which I feel is probably one of the most important issues for staff at UC, Santa Barbara."

What is UCSB Staff Assembly?

Staff Assembly is UCSB's chapter of the system wide Council of University of California Staff Assemblies, or CUCSA. UCSB's Staff Assembly is sponsored by the office of the Vice Chancellor for Administrative Services. Staff Assembly's mission is to support the research, teaching, and community service mission of UCSB by serving in an advisory capacity to the Chancellor, Vice Chancellors, senior officers, and other campus organizations seeking staff consultation.

Staff Assembly provides staff representatives to committees as requested by campus entities and facilitates communication among and between all staff employees. Additionally, Staff Assembly serves as a focal point and sounding board for all staff employees in issues that are not the purview of represented job classifications. General membership includes all career UCSB staff members. The Executive Committee consists of at least eight members elected at large from all career staff on campus.
