### Staff Assembly Member Profile: Dave Dunlop

I have been with UCSB as a disabilities specialist at Disabled Students Program for over nine years. I joined Staff Assembly because I wanted to get to know more staff on campus and learn more about staff-related issues.

Since I am particularly interested in staff housing, I'm participating in the staff housing workgroup. I've worked with this group to conduct staff town halls meetings and surveys to obtain more information on staff housing needs, and then present the findings to campus administrators. I have also thoroughly enjoyed assisting with the events like the ice cream social and cookie tasting contest as well as being a reviewer for the citation of excellence awards.

One of my favorite things about working at UCSB is the people I work with. I feel truly fortunate to be here. I encourage others to join Staff Assembly because it's a great way to learn about staff issues and make new friends.

## What is UCSB Staff Assembly?

Staff Assembly is UCSB's chapter of the system wide Council of University of California Staff Assemblies, or CUCSA. UCSB's Staff Assembly is sponsored by the office of the Vice Chancellor for Administrative Services. Staff Assembly's mission is to support the research, teaching, and community service mission of UCSB by serving in an advisory capacity to the Chancellor, Vice Chancellors, senior officers, and other campus organizations seeking staff consultation.

Staff Assembly provides staff representatives to committees as requested by campus entities and facilitates communication among and between all staff employees. Additionally, Staff Assembly serves as a focal point and sounding board for all staff employees in issues that are not the purview of represented job classifications. General membership includes all career UCSB staff members. The Executive Committee consists of at least eight members elected at large from all career staff on campus.
