Updates from the Staff Assembly Co-chairs

Greta Halle, UCSB Staff Assembly co-chair, is the UCSB staff representative on the Staff Search Advisory committee for the new UC president. On March 12th the advisory committee had the opportunity to meet with the Regental Special Committee on

Selection of a President to discuss the criteria for the presidential search. Feedback from staff across the UC system was shared with the Regents, including the importance of a finding a president who values inclusion and diversity. The staff feedback was well received and, as a result, the criteria have been revised to include staff feedback. The Regents have expressed a commitment to hearing the concerns of staff as the search proceeds. The Staff Search Advisory committee will have the opportunity to meet with the final nominee or nominees.
